

Muirhead Curling – Photographic and Video Policy

December 2024

At Muirhead Curling, we aim to create a welcoming and inclusive environment while celebrating the moments shared during our camps. As part of this effort, we may take photographs and videos during camp activities to document and promote our programmes.

Use of Photographs and Videos:

- Photographs and videos taken during camp sessions may be used for promotional purposes, including but not limited to:
- Our website
- Social media platforms
- Printed materials (e.g., brochures, flyers)
- News articles or press releases
- Images and videos will focus on capturing the spirit of the camp in a respectful and appropriate manner.

Opt-Out Option:

We understand and respect that some parents or guardians may not wish for their children or yourself to be photographed or their images to be used. If you do not consent to your child or you being captured in photographs or videos, please:

1. Notify us in writing by emailing info@evemuirhead.co.uk prior to the start of the camp.
2. Clearly indicate your child's or your name and the camp session they are attending.

Our team will take all reasonable measures to ensure your child is excluded from photos and videos.

Handling of Images:

- Images and videos are securely stored and used solely for the purposes stated above.
- We do not sell or share images with third parties for commercial purposes.
